## TYOLOGIER

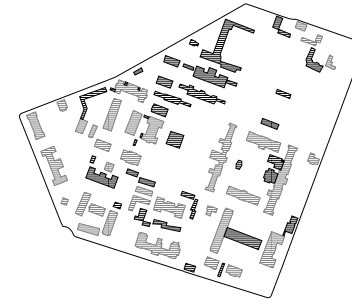

## HISTORISK UDVIKLING

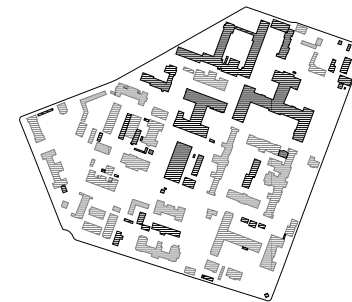

1899

Første etape af hospitalet bygges omkring Københavns Amtssygehus, som blev opført i 1891.

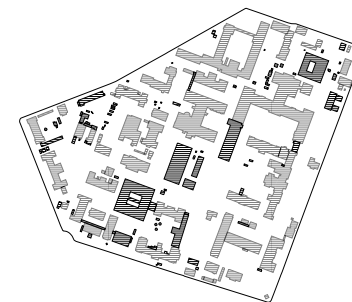

1939

Hospitalet udvides løbende med pavilloner og nye afdelinger og Københavns Amtssygehus bliver en del af Frederiksberg Hospital.

1972

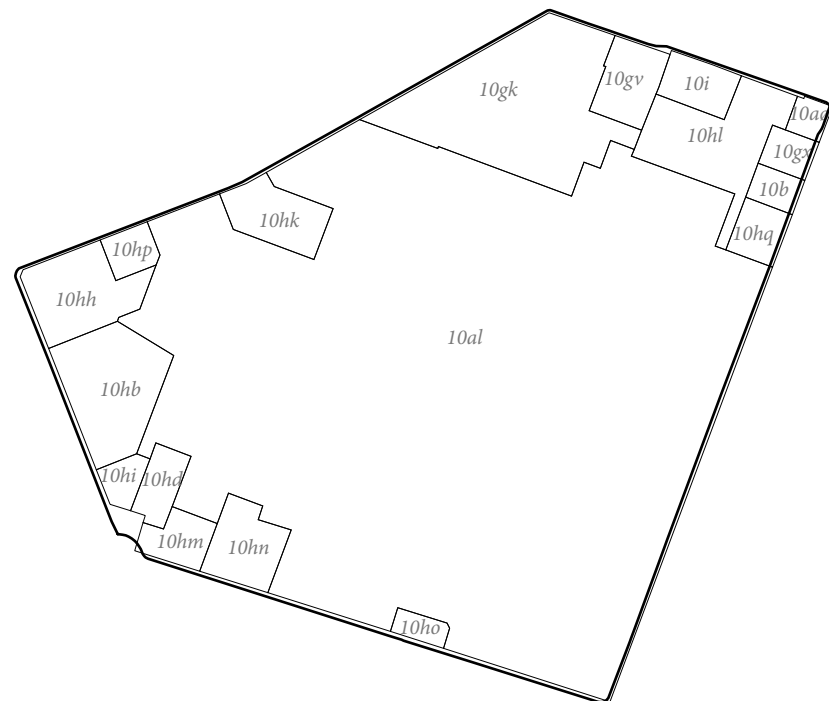

Nye krav betyder, at laboratoriebygningen opføres og mindre servicebygninger kommer til, mens de eksisterende bygninger får mindre tilbygninger

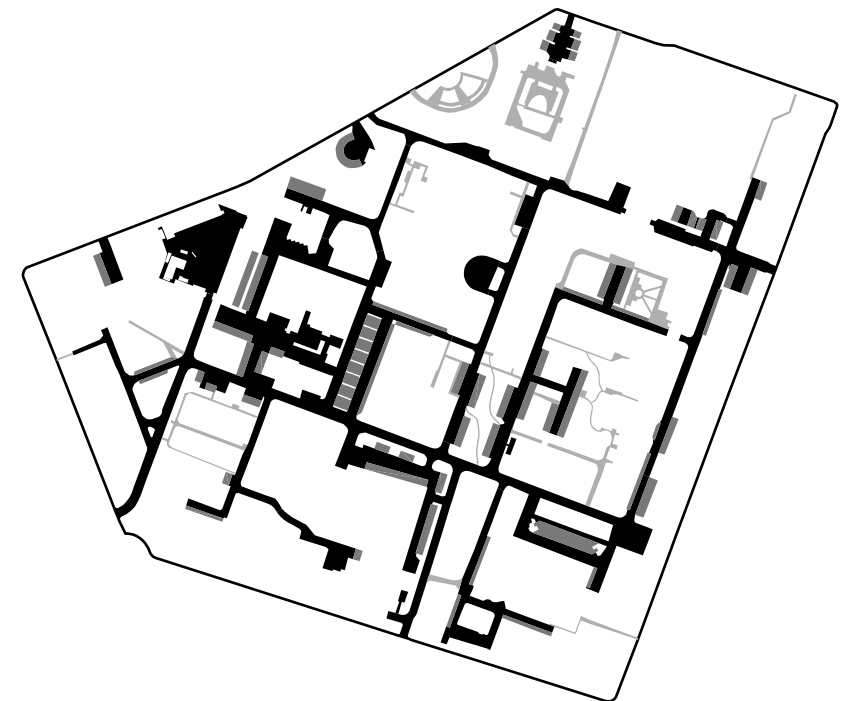

2018

Området i dag med fire daginstitutioner, plejecenter, hospital med psykiatrisk afdeling og andre offentlige tilbud. Nye krav resulterer i udflytning til nye faciliteter på Bispebjerg Hospital.
